

DEADMAN

CHECK IN, OR CHECK OUT.

App icon

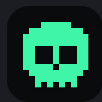

Primary: pulse on void

Inverse: void on pulse

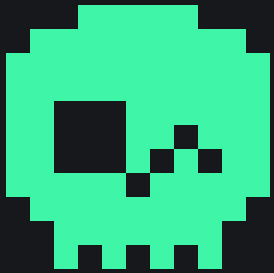

Round launcher mask

Whole pixels at every size, so the skull stays sharp down to a notification badge. Export at 512 px for the dApp Store.

One skull, four moods

Each expression matches a status your app already shows, in the same color. Use them for notifications, widgets and empty states.

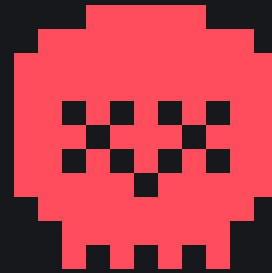

Alive

Checked in on time.
Nothing moves.

Missed a check-in

Silence has started.
The next release tier is counting down.

Silent past a release tier

A tier is due. Funds go to the beneficiary.

Plan fully released

Every tier has paid out.
Rest easy.

Who gets it

Wallet address or claim code

Paste an address

Their name (optional)

e.g. Mom

Only saved on this phone, to make your plan easier to read.

0/24

How it arrives

Normal transfer

Straight to their Solana wallet.
Anyone can see it on the blockchain.

No fee · monthly plan active

Private (Cloak)

mainnet only

Hidden on Solana. They need the
Deadman app and must send you a
claim code.

No fee · monthly plan active

If the plan holds 100 SOL: ≈ **100 SOL** to this person
after 10 days of silence (no fee)
